

Alliance for Hispanic Commercial Contractors

Presents | Presentamos:
Ask the Construction Law Expert

Presented by | Presentado Por: Tracy Steedman
www.adelberg.com

Tracy L. Steedman has more than 15 years' experience in commercial construction litigation, contract drafting and negotiation and green building law in Maryland. She represents owners, general contractors, subcontractors, suppliers and design professionals, and municipalities in all areas of construction, including contract drafting and negotiation, pre-litigation dispute resolution, and all phases of civil litigation. She handles complex commercial construction disputes, including bond claims and mechanics' liens, trust fund and prompt payment issues, impact and delay claim analysis, construction defects, and warranty issues on public and private projects.

Ms. Steedman is recognized in The Best Lawyers in America® for Construction Law in Maryland 2019 and recognized as a 2019 Top 50 Women and Top 100 Maryland Super Lawyers.

Accreditations:

Ms. Steedman is designated as a LEED AP, BD+C™ by the U.S. Green Building Council. She advises clients on Local, State and Federal green building and regulatory requirements.

Tracy will discuss what is trending in the region. But, don't miss out to ask your questions!

Ask Tracy what is trending in the region that will impact contract delivery?

Ask Tracy what new laws may impact your cash flow and project success?

Ask Tracy what new contract language is making waves?

Ask Tracy any legal or construction industry questions you may have.

Just submit them a few days prior to session
